

During Milan Design Week 2023, Green Wise exhibited art works using our products.

Apr. 26, 2023

Green Wise who supplies green projects, exhibited art works at Milan Design Week 2023, through Apr 17th to 23rd, one of the world biggest design show. Green Wise presented natural elements and artificial artifacts with the theme of UNNATURAL but NATURAL. Designer Shizuka Tatsuno created the art works of stool and planter, using our products with natural flowers and plants which represent the beauty and transience of nature.
